# Annual evaluation questionnaire

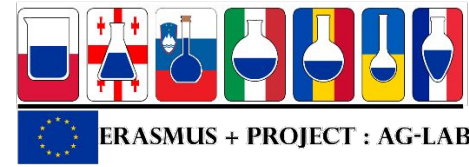

According to the Quality Plan, after one year of the project duration the annual questionnaire was sent to the partner institutions. The replies show a high level of satisfaction, although there is room for improvement in certain areas.

# Strenghts

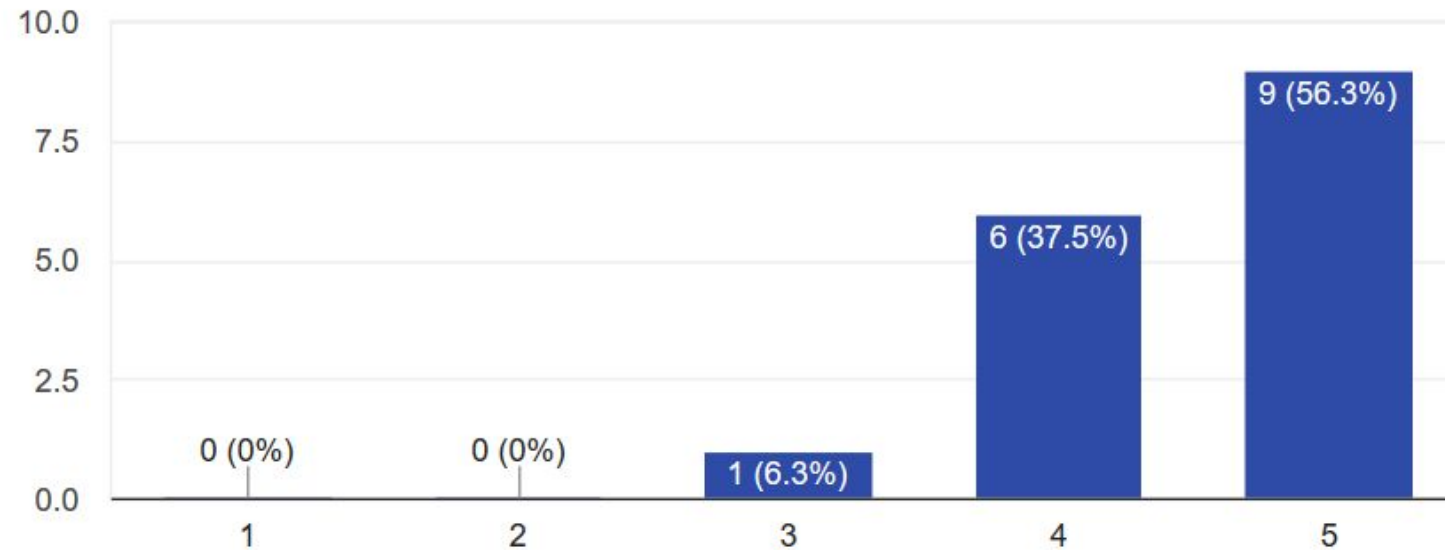

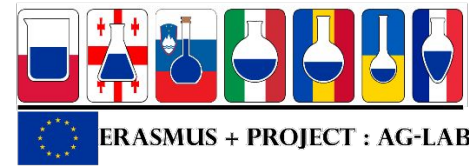

- alignment to the original work plan and time adjustments;
- administrative management of the project;
- feedback from the Work Package Leaders to questions and problems;
- usefulness of the training materials.

# Overall satisfaction

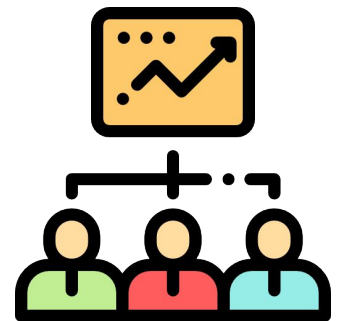

What is your overall satisfaction with the implementation process of the project?

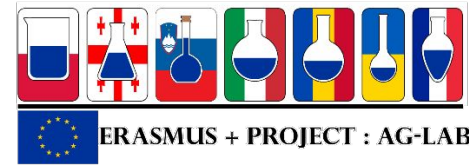

# Room for improvement

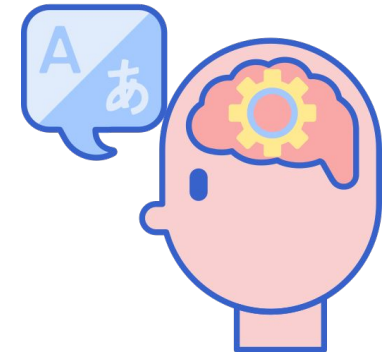

- financial management of the project;
- decision making process and problem-solving;
- feedback from the Project Coordinator to questions and problems;
- dissemination activities.

# Open questions/remarks

- translation into Russian is too time-consuming
- money transfer
